1973 INDEX
HEALTH SERVICES REPORTS

Volume 88, January–December

THIS INDEX to HEALTH SERVICES REPORTS is divided into a subject index and an author index. The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ANNOUNCEMENTS, ORGANIZATIONS and PERSONNEL; EDUCATION NOTES; GRANTS and CONTRACTS; BIBLIOGRAPHIES; and PUBLICATION REVIEWS.

Key to Dates and Pages

Pages	*Month of issue*	*No.*
1–96	January	1
97–192	February	2
193–288	March	3
289–384	April	4
385–480	May	5
481–576	June–July	6
577–684	August–September	7
685–792	October	8
793–888	November	9
889–988	December	10

Key to Classification of Subject Index

(*) Original signed article
(PR) Publication review
(SR) Short report

SUBJECT INDEX

ABORTION
New York City, clearinghouse for appointments (SR) 475
surveillance program of the Center for Disease Control, a progress report *255

ADMINISTRATION
health, offers many opportunities *34
suggested organizational changes for hospital industry: review of literature and survey of Minnesota hospital administrators' attitudes toward change *743

AIR MICROBIOLOGY
emission of microbial aerosols from sewage treatment plants that use trickling filters; effects of environmental conditions *640

AIR POLLUTION *see* Pollution

ALCOHOL
"Alcohol Health and Research World," new journal (PR) 680

ALCOHOLISM
brief Michigan Alcoholism Screening Test used to detect alcoholics in tuberculous population in New Orleans, La *486

AMBULANCE SERVICE *see* Emergency Health Services

ANNOUNCEMENTS, ORGANIZATIONS
APHA annual meeting, deadline for papers .. 218
Association for Practitioners in Infection Control, membership invitation 218
Environmental Engineering Graduate Programs, register in preparation 476
International Symposium on Biomaterials, call for papers 785
Symposium on Recent Advances in the Assessment of the Health Effects of Environmental Pollution, invitation for papers 785

ANNOUNCEMENTS, PERSONNEL
Charles H. Boettner, Associate Administrator of HSA 975

BEHAVIOR
cigarette smoking by women, analysis of changes, 1966 and 1970 ..... *631, 887
health, and health needs of urban Indians in Minneapolis *360
implications of psychological research for smoking control clinics *535
juvenile delinquency, a perspective (SR) 678

modification, developing tooth brushing performance in second-graders through *818
smoking habits, biological, psychological, and social characteristics of men with different .. *834
personality traits predict drug use (SR) 781
social change, new publications on (PR) 475

BIBLIOGRAPHIES
American Indian health 727
hypertension 382
National Library of Medicine 42, 218, 677
selected annotated, neighborhood health centers and evaluation literature 469
tuberculosis control 508

BIRTH CONTROL *see* Family Planning

BLINDNESS
in Egypt, prevalence rates; comparison of random and self-selected samples of urban and rural residents, by affection and etiology ... *89

BLOOD FATS
essential dietary metals may control (SR) .. 141

BOLIVIA
tuberculosis in Yungas area; use of Peace Corps volunteers in a control program *499

CAMPS
youth, study of health and safety in (May inside cover)

CANCER
colon, dietary hypotheses and diet-related research in etiology *915
computer helps detect lung tumors (SR) 571
international tumor immunotherapy registry (SR) 477
lung, detection by nuclear medical systems (SR) 40

CARBON MONOXIDE
studies in 26 cities (SR) 676

CHILD HEALTH and WELFARE
see also Maternal Health; Teenagers
child mental health, communication for; 1973 NIMH information exchange *391
clinical reactions in children after rubella vaccination *457
color vision deficiencies in U.S. children (PR). 43
developing tooth brushing performance in second-graders through behavior modification .. *818
diet counseling to improve hematocrit values of children on Blackfeet Reservation; community health apprenticeship project *722
elevated blood lead levels in children; a 27-city neighborhood survey *419
evaluation of a dental care program for children; four-dimensional approach *763
evaluation of effectiveness of a children and youth project, Bronx, N.Y *942
health services to children (April inside cover)
health services program for Medicaid youth, Detroit Health Department (SR) 782
"How Children Grow" (PR) 44
immunization drive aimed at preschool child (SR) *780
infants, low birth weight associated with maternal heroin use, New York City, 1966–67 and 1970–71 ..... *416
"Inside/Out," classroom television series about health and well-being (SR) 143
measuring maternal competence in child rearing *529
meeting the dental treatment needs of indigent rural children; results of University of Kentucky 5-year program *591
rubella vaccination, clinical reactions after ... * 57
spread of disease by fecal-oral route in day nurseries; a modern health hazard *320
study of kindergarten children in three socioeconomic areas of British Columbia *947
sudden unexpected infant deaths; problems in use of death certificates to identify *555
tracheotomy patients get special care (SR) 41

CLINICS *see* Health Facilities

COMMUNICABLE DISEASES
see also name of disease
influenza in animals (PR) 786
tuberculosis, results of 20 years of control in Alaska *247
validity of interview information in estimating community immunization levels *750
viral hepatitis in Oakland County, Mich.; a retrospective survey *236

COMMUNICATIONS
emergency medical services in Arizona, contract demonstration project (SR) 781
for child mental health; 1973 NIMH information interchange *391
two-way audiovisual system to link penal facilities with Miami hospital (SR) 885

COMMUNITY HEALTH
apprenticeship project; diet counseling to improve hematocrit values of children on Blackfeet Reservation *722
community and professional participation in decision making at a health center; results of a 21-month study *527
control of hypertension, international activities *387
Erie County, N.Y., 1972, week of VD awareness *463
Mon Valley Community Health Center, Monessen, Pa., development and capabilities of management data system *844
validity of interview information in estimating community immunization levels *750
viral hepatitis in Oakland County, Mich.; retrospective study *236

CONFERENCES
AMA's committee on medical aspects of sports, conference 1973 784

American Water Works Association, water quality conference 885
First World Conference on Medical Informatics —Med-info 74 785
Future Role of the State Hospital 681
Seventh International Conference on Water Pollution 572
UNESCO, international congress to honor Asian genius 885

CONSULTANT SERVICES
effective use in comprehensive health planning *902

CONTRACTS *see* Grants and Contracts

DENMARK
and U.S. tuberculosis control programs, epidemiologic basis *493
unified health and social services under Public Health Security Act, 1971 ..... *624

DENTAL CARE
consumer-provider conflict in health service recommendations *795
use of dental services in Monroe County, N.Y., before Medicaid and an OEO health center. *260

DENTAL HEALTH
developing brushing performance in second-graders through behavior modification *818
evaluation of a dental care program; four-dimensional approach *763
meeting dental treatment needs of indigent rural children; results of 5-year program, University of Kentucky *591
training technotherapists for urban dental care program *181

DENTISTS
detection of hypertension by *291
survey of attitudes toward expanding auxiliaries' duties *423

DETERGENTS, CAUSTIC
death of a child from *131

DIABETIC RETINOPATHY
new methods of treating patients, nationwide study (SR) 42

DIET *see* Nutrition

DISASTERS
see also Emergency Health Services
proposal for international center for *23

DOG BITES
in Norfolk, Va *59

DRUG ADDICTION
maternal heroin use associated with low birth weight of infants, New York City, 1966–67 and 1970–71 ..... *416
treatment of addicts, proposals for a model using counselors in differential roles *663

DRUGS
adverse reactions, national center needed to survey (SR) 38
drug system services in a highly developed HMO structure; present and projected *873
personality traits predict use by students (SR). 781
prescription, mail-order *852
radioactive, high-energy accelerators to combat shortages in (SR) 40

ECONOMICS, HEALTH
causes of increase in Medicaid costs in California *225
drug system services in a highly developed HMO structure; present and projected *873
health characteristics of low-income persons (PR) 44
hospital cost and use control via New York City Health Department *133
mail-order prescriptions *852
suggested organizational changes for hospital industry; review of literature and survey of Minnesota hospital administrators' attitudes toward change *743

EDUCATION NOTES
advances in analytical toxicology 886
Annual Institute for Physicians in Industry .. 220
associate in arts degree for laboratory techniques 150
continuing education in nursing 479
courses in nursing home administration and extended care facilities 382
doctoral study in social work and social science 786
Eleanor Roosevelt International Cancer Fellowships 382
evaluation and control of occupational hazards: basic skills 887
evaluation in health services delivery 572
Faculty Institute on Medical Care 150
graduate curriculum in institutional environmental health 886
graduate degree programs in mental health statistics 382
graduate program in alcohol research 220
graduate programs in health administration.. 46
graduate programs of study in dental public health 46
graduate summer session of statistics in the health sciences 479
health executives development program 479
institutes in care of premature and other high-risk infants 573
international teaching seminar on cardiovascular epidemiology 220
JCAH's TAP institutes 479

master of public health program in dental public health 786
medical directors of nursing homes 476
new master's degree program in nursing 681
new master's program in health care administration 787
new program in health systems 150
seminar on the development of design criteria for wastewater treatment process 150
seminars on trauma, 1973–74 379
seventh annual symposium on critical care medicine 381
short course on laser safety 46, 522
Stetler research fund for women physicians.. 150
summer courses on alcohol and other drugs of dependence, 1973 381
summer institute on environmental health .. 150
summer session of statistics in the health sciences 150
symposium on childhood obesity 572
symposium on the preventability of perinatal injury 887

EGYPT
blindness prevalence rates; comparison of random and self-selected samples of urban and rural residents, by affection and etiology *89

EMERGENCY HEALTH SERVICES
after-hours services in a prepaid group practice *868
contract awarded for communications demonstration in Arizona (SR) 781
emergency medical care as a comprehensive system *579

EMERGENCY ROOM SERVICES *see* Hospitals

ENVIRONMENTAL ENGINEERING
Register of Environmental Engineering Graduate Programs, in preparation (SR) 476

ENVIRONMENTAL HEALTH
see also Housing
and soil pollution *323
carbon monoxide studies in 26 cities (SR).... 676
emission of microbial aerosols from sewage treatment plants that use trickling filters; effects of environmental conditions *640

EPIDEMIOLOGY
hypertension screening in Washington, D.C., 1971 ..... *824
gallbladder disease in an Appalachian community; comparisons with the Framingham and Pima Indian studies *241
outbreaks of infectious hepatitis in day nurseries *320
sickle cell trait, age trends in prevalence *804
trichiniasis in U.S. population, 1966–70; prevalence and epidemiologic factors *606
use of health services in a rural community; epidemiologic features *275

ERRATA
appraisal of health care delivery in a free clinic (October 1972) 220
bibliography on neighborhood health centers and evaluation literature 681
changes in cigarette smoking by women, an analysis, 1966–1970 887
review of teenage nutrition in the United States (November 1972) 681

EVALUATION
cardiopulmonary, county of Los Angeles safety personnel *515
effect of peer review in medical foundations on qualifications of surgeons *808
neighborhood health centers and evaluation literature; selected annotated bibliography 469
of a dental care program; four-dimensional approach *763
of a five-year family planning plan; 5 million poor women and unwanted births *814
of effectiveness of a children and youth project, Bronx, N.Y *942
of community mental health centers programs, National Institute of Mental Health approach *174
of family planning programs, observations on. *213
of health services, validity of nonexperimental designs for *153
of primary care in Los Angeles County Health Department clinic *65
of tuberculosis control programs, new methods. *489

EXTENDED CARE FACILITIES *see* Health Facilities; Nursing Homes

FAMILY PLANNING
five-year plan, evaluation, 5 million poor women and unwanted births *814
physicians, Philippine, sex differentials *963
programs, observations on evaluation of *213
services, national reporting system for *637
unwanted fertility and the use of contraception. *730

FELLOWSHIPS
World Health Organization, for health workers (SR) 676

GALLBLADDER DISEASE
epidemiology of, in an Appalachian community, comparisons with the Framingham and Pima Indian studies *241
relationship to parity, obesity, and age; study of 62,739 weight-conscious women *925

GONORRHEA
see also Venereal Diseases
current research activities at the Center for Disease Control *13

current status of treatment by physicians who report cases to Oregon State Health Division *601
pelvic inflammatory disease treatment in an urban emergency service *550

GRANTS and CONTRACTS
Federal health services, rate of growth, 1965–72, HSMHA *77
for research, HSMHA 221, 383, 573, 789
HSMHA contracts 682
NIMH grants to improve State hospitals, impacts of *559
to study mental health services for blacks (SR) 784
to the University of Chicago to measure access to medical care (SR) 783

GROUP PRACTICE
prepaid, after-hours services *868
prepaid, characteristics of internists in three, New York State *541
use of mental health services by poverty and nonpoverty members of a prepaid group practice plan *656

HEALTH CARE
delivery, modern implementation of Denmark's tradition *624

HEALTH CAREERS
see also Recruitment
health assistants, Project Hope training experience, Laredo, Tex *588
health systems and new careers *124
in health administration, offers many opportunities *34
medical nurse practitioner; role, training, and 1-year's experience *827

HEALTH DEPARTMENTS
community participation and sharing in control of public health services *442
Detroit, health services program for Medicaid youth (SR) 782
local, is there a future? *898
Los Angeles County, evaluation of primary care clinic *65
New York City, hospital cost and use control.. *133

HEALTH EDUCATION
developing tooth brushing performance in second-graders through behavior modification.. *818
for heart patients in crisis *669
in elementary and junior high schools; making it relevant and exciting *99
"Inside/Out," classroom television series about health and well-being (SR) 143
measure of maternal competence in child rearing *523
President's committee on (October inside cover)
team training, an experiment with promise *328
training education majors in (SR) 782

HEALTH INDEXES
NCHS Clearinghouse on (SR) 976

HEALTH FACILITIES
see also Nursing Homes
clinic for migrants, Princeville, Ill. (SR) 147
decision making at a health center, community and professional participation; results of a 21-month study *527
free clinics, assistance by DHEW (February inside cover)
inpatient, in United States, 1969 (PR) 676
primary care clinic of Los Angeles County Health Department, evaluation study *65
statistical trends in utilization review in extended care facilities, Hospital Utilization Project; after 3 years of Medicare *271
student-operated health clinic in Gainesville, Florida *772
"The Surgical Suite: Functional Programing Worksheets" (PR) 677
urban health center, marketing procedure used to register target population *84
youth clinics, delivering services, Los Angeles County, Calif. (SR) 569

HEALTH MAINTENANCE ORGANIZATIONS
HSMHA publishes new pamphlet on (PR) ... 478
present and projected drug system services in *873
role in new national strategy to make health services flexible and responsive *894

HEALTH PLANNING
comprehensive, effective use of consultant services in *902
identifying integrated regions for health care delivery *337
of areawide services, normative definition of the process *305
priorities for health services information *106
suggested organizational changes for hospital industry; review of literature and survey of Minnesota hospital administrators' attitudes toward change *743

HEALTH SERVICES
after-hours, in prepaid group practice *868
areawide planning of, a normative definition of the process *305
delivering services in youth clinics, Los Angeles County, Calif. (SR) 569
delivery of human services, future outlook *891
delivery, development and capabilities of Mon Valley management data system for, Monessen, Pa *844
dental, consumer-provider conflict in recommendations for *795
detection of hypertension by dentists *291
Federal grants for, rate of growth, 1965–72... *77
forging a health system for Indians (October inside cover)

free clinics, assistance by DHEW (February inside cover)
health behavior and health needs of urban Indians in Minneapolis *360
health referral system for migrants *31
identifying integrated regions for health care delivery *337
management approach to monitoring quality health assurance standards *709
medical care, measuring access to (SR) 783
Memphis Regional Medical Program brings medicine to the people *371
new national strategy to make services flexible and responsive *894
priorities for health services information..... *106
program for Medicaid youth, Detroit Health Department (SR) 782
public, community participation and sharing in control of *442
putting human social services together *38
rural, new research unit to study (SR) 41
use in a rural community, Yolo County, Calif.; epidemiologic features *275
use in relation to the physical home environment of an Indian population *715
validity of nonexperimental design for evaluating *153

HEALTH SERVICES ADMINISTRATION
Associate Administrator appointed (SR) 975
challenge to Indian Health Service *687

HEALTH SERVICES and MENTAL HEALTH ADMINISTRATION
CDC emphasizes VD, fiscal year 1974 (March inside cover)
Community Health Service, reorganized (SR). 142
health services to children (April inside cover)
impacts of NIMH grants to improve State hospitals *559
National hypertension program (January inside cover)
organizational history of *117
reorganization (August–September inside cover)
research grants and contracts (SR) 221, 383, 573, 789

HEALTH STATUS INDICATORS
reevaluation of *937

HEART DISEASE
cardiopulmonary evaluation to detect in County of Los Angeles safety personnel *515
health education for heart patients in crisis .. *669

HEPATITIS
in Oakland County, Mich.; a retrospective study *236
spread of disease by fecal-oral route in day nurseries; a modern health hazard *320

HIP REPLACEMENT
total, complications with use of acrylic cement *857

HOSPITALS
care for needy, regulations published (SR) .. 680
cost and use control via New York City Health Department *133
development of utilization review casebook .. *367
impacts of NIMH grants to improve *559
Miami, two-way audiovisual system to link penal facilities with (SR) 885
nuclear medicine information system *908
public—critical or recovering? *295
suggested organizational changes for hospital industry; review of literature and survey of Minnesota administrators' attitudes toward change *743
urban hospital emergency service used for treatment of pelvic inflammatory disease, Baltimore *550

HOUSING
effects of improved housing on health, South Dos Palos, Calif *47
relation of physical home environment of Indian population to use of health services .. *360
U.S. and Polish scientists confer on health effects of micro-environments of; BCEM–PZITB symposium report *427

HYPERTENSION
bibliography 382
community control of, international activities.. *387
detection and treatment of (PR) 475
detection by dentists *291
national program (January inside cover)
screening, Washington, D.C., 1971 ..... *824
screening, Kansas City, Mo. (SR) 142

IMMUNIZATION
see also Vaccination
campaign aimed at preschool child (SR) 780
validity of interview information in estimating community levels *750

INDIAN HEALTH
Apache nursing assistants, insights gained from teaching and working with *703
challenge to Indian Health Service *687
diet counseling to improve hematocrit values of children on Blackfeet Reservation; community health apprenticeship project *722
forging a health system for Indians (October inside cover)
management approach to monitoring quality health assurance standards for *709
professionals needed *692
relationship of prenatal care to birth weights, major malformations, and newborn deaths.. *697
special bibliography on 727
urban, in Minneapolis, health behavior and health needs *360
use of health services in relation to physical home environment of Indian population .. *715

INDUSTRIAL HEALTH
new horizons in *195
limits for ultraviolet radiation and lead exposure (SR) 377

INFECTIONS
from total hip replacement with use of acrylic cement *857

INFLUENZA
in animals (PR) 786

INFORMATION SERVICES
Clearinghouse on Health Indexes, NCHS (SR) 976
NLM supports foreign scientific reports (SR).. 378

INFORMATION SYSTEMS
priorities for health services information *106
for nuclear medicine *908

INSURANCE, HEALTH
Denmark, unified health and social services under Public Health Security Act of 1971.. *624

INTERNATIONAL HEALTH
activities, community control of hypertension.. *387
proposal for an international disaster center .. *23
tumor immunotherapy registry (SR) 477

JUVENILE DELINQUENCY
a perspective (SR) 678

LAWS and REGULATIONS
influence of State regulatory processes on mental health programs *562
State legislation for physician's assistants, review and analysis *3

LEAD
and ultraviolet radiation exposure limits (SR) 377
levels, elevated blood, in children; 27-city neighborhood survey *419
poisoning, new fingerprick test for (SR) 677

MALFORMATIONS, CONGENITAL
in American Indians, relationship of prenatal care to birth weights, newborn deaths, and *697

MANPOWER
see also Health Careers
auxiliaries' duties, survey of attitudes of dentists toward expanding *423
health, distribution of publications on (SR) .. 784
Indian health professionals needed *692
internists' characteristics in three prepaid group practices, New York State *541
physician's assistants, State legislation for; review and analysis *3
practical nurses, proficiency examination for (SR) 477
recruiitng physicians for rural practice $758
recruitment of minorities for health professions *113
registered nurses for prenatal care, controlled test of use *400

MATERNAL HEALTH
American Indians, relation of prenatal care to birth weights, major malformations, and newborn deaths *697
controlled test of use of registered nurses for prenatal care *400
five-year family planning plan, evaluation; 5 million poor women and unwanted births .. *814
health services for mothers and children (April inside cover)
heroin use associated with low birth weight of infants, New York City, 1966–67 and 1970–71 ..... *416
observations on evaluation of family planning programs *213
pregnant teenagers, inschool program aids (SR) 884

MEDICAID *see* Medical Assistance

MEDICAL ASSISTANCE
causes of increase in Medicaid costs, California *225
health service program for Medicaid youth, Detroit Health Department (SR) 782
in California, causes of increase in costs *225
Medi-Cal patient satisfaction, Watts area of Los Angeles *351
regulations published on hospital care for needy (SR) 680

MEDICAL CARE
APHA annual meeting, deadline for papers on (SR) 218
measuring access to (SR) 783
Memphis Regional Medical Program brings medicine to the people *371

MEDICARE
extended care, statistical trends in utilization review after 3 years of *271
regulations published on hospital care for needy (SR) 680

MEDICINE, PREVENTIVE
dental care program, evaluation; four-dimensional approach *763
for animal care personnel, University of Missouri (SR) 780
in Alaska, results of 20 years of tuberculosis control *247

MENTAL HEALTH
community mental health centers program, National Institute of Mental Health approach to evaluating *174
programs, influence of State regulatory processes on *562
schizophrenia, identifying on worldwide basis (SR) 975
services realigned, Veterans Administration (SR) 143
services, black nonprofit agencies seek systematic approach to (SR) 784
services used by poverty and nonpoverty members of a prepaid group practice plan *653

MICRO-ENVIRONMENT
BCEM and Polish institute to collaborate (SR) 377
of housing, U.S. and Polish scientists confer on health effects; BCEM–PZITB symposium report *427

MIGRANTS
health referral system for *31
year-round health care for, Princeville, Ill. (SR) 147

MORTALITY
see also Vital Statistics
caused by a caustic detergent; case report *131

NATIONAL LIBRARY OF MEDICINE
bibliographies 42, 218, 677
supports foreign scientific reports (SR) 378

NUCLEAR MEDICINE
information system, Veterans Administration *908
system for detecting lung cancer and brain tumors, Veterans Administration (SR) 40

NURSES
Association for Practitioners in Infection Control (SR) 218
medical nurse practitioner; role, training, and one-year's experience *827
pediatric nurse practitioners; issues in training *767
practical, proficiency examination for (SR) .. 477
public health, and neighborhood health program participants, attitudes about nurses' working apparel *968
public health, impact of environmental fear on *201
registered, controlled test of use for prenatal care *400

NURSING
assistants, Apache, insights gained from teaching and working with *703

NURSING HOMES
DHEW's role in improving care (SR) 225
toward a brighter future for *316
training medical directors of (SR) 476

NUTRITION
diet counseling to improve hematocrit values of children on the Blackfeet Reservation; community health apprenticeship project *722
dietary hypotheses and diet-related research in the etiology of colon cancer *915
essential dietary metals may control blood fats (SR) 141

OBESITY
gallbladder disease, relation to parity, obesity, and age; a study of 62,739 weight-conscious women *925

OCCUPATIONAL HEALTH
see also Industrial Health
county of Los Angeles, conducting cardiopulmonary evaluation of safety personnel *515

PEACE CORPS
use of volunteers in a tuberculosis control program in the Yungas area of Boliva *499

PEER REVIEW
in medical foundations, effect on qualifications of surgeons *808

PELVIC INFLAMMATORY DISEASE
treatment in an emergency service, Baltimore *540

PETS
free-roaming, urban *956

PHARMACY
international congress to honor Asian genius (SR) 885

PHYSICIANS
characteristics of internists in three prepaid group practices, New York State *541
effect of peer review in medical foundations on qualifications of surgeons *808
Philippine family planning, sex differentials among *963
recruiting for rural practice *758
response to mailed questionnaires, factors influencing *510
survey of physician visits, 1969 (PR) 146

PHYSICIAN'S ASSISTANTS
State legislation for; review and analysis *3

POISONING
annual Poison Prevention Week (SR) 143
death from a caustic detergent; case report .. *131
lead, new fingerprick blood test for (SR) 677

POLAND
and BCEM to collaborate on micro-environment (SR) 377
U.S. and Polish scientists confer on health effects of micro-environments of housing in; BCEM–PZITB symposium report *427

POLLUTION
carbon monoxide studies in 26 cities (SR) .. 676
emission of microbial aerosols, sewage treatment plants that use trickling filters; effects of environmental conditions *640
soil, and environmental health *323

POPULATION
survey, computer record linkage *344

PREVENTIVE MEDICINE *see* Medicine, Preventive

PRISON HEALTH
two-way audiovisual system to link penal facilities with Miami Hospital (SR) 885

PUBLICATION REVIEWS
Alcohol Health and Research World, new journal 680
"Color Vision Deficiencies in Children, United States" 43

"Vital Statistics of the United States" 679

PUBLIC HEALTH SERVICE
Alcohol, Drug Abuse, and Mental Health Administration established (SR) 884

QUALITY ASSURANCE
effect of peer review in medical foundations on qualifications of surgeons *808
standards, management approach to monitoring *709

RABIES
Norfolk, Va., control program, dog bite data.. *59

RADIATION
ultraviolet and lead exposure limits (SR) 377
X-ray equipment in use need not be upgraded (SR) 218

RADIOLOGY
computer helps detect lung tumors (SR) 571

RECORDS
and statistics *436
computer linkage on a survey population, Alameda County, Calif *344
death certificates, problems in use to identify sudden unexpected infant deaths *555
development of utilization review casebook .. *367
veterinary association registries as population estimates *777

RECRUITMENT
of minorities for health professions *113
of physicians for rural practice *758

REGIONAL MEDICAL PROGRAMS
Memphis, Tenn., program brings medicine to the people *371

RESEARCH
diet-related, and diet hypotheses in etiology of colon cancer *915
grants and contracts, HSMHA (SR) 22, 383, 573, 789
medical, Veterans Administration (PR) 782
new unit for study of rural health services (SR) 41
on gonorrhea at the Center for Disease Control, current activities *13
psychological, implications for smoking control clinics *535
treating diabetic retinopathy, nationwide study of new methods (SR) 42

RUBELLA
vaccination, clinical reactions in children after *457

RURAL HEALTH
meeting the dental treatment needs of indigent children; results of University of Kentucky 5-year program *591
use of health services in a rural community, Yolo County, Calif.; epidemiologic features *275

SAFETY
and health study of youth camps (May inside cover)

SANITATION
see also specific types; Wastes
in day nurseries, spread of disease by fecal-oral route; a modern health hazard *320

SCHIZOPHRENIA
identifying on worldwide basis (SR) 975

SCHOOL HEALTH
"Inside/Out," classroom television series about health and well-being (SR) 143
personality traits predict drug use by students (SR) 781

SCREENING PROGRAMS
Egypt, blindness prevalence rates: comparison of random and self-selected samples of urban and rural residents, by affection and etiology *89
for hemoglobin S; a rational method for automated mass screening *165
hypertension, Kansas City, Mo. (SR) 142
hypertension, Washington, D.C., 1971 ..... *824
sickle cell trait, age trends in prevalence *804

SCREENING TESTS
brief Michigan Alcoholism Screening Test used to detect alcoholics in tuberculous population *486
vision, new method of delivery of care in Harlem; a pilot study *405

SEWAGE *see* Wastes

SEX EDUCATION
needed to prevent unwanted pregnancies in high schoolers *187

SICKLE CELL
age trends in prevalence of trait *804
automated mass screening for hemoglobin S; a rational method *165
"So I have the sickle cell trait" (PR) 570

SMOKING
changes in cigarette smoking by women; analysis of changes, 1966 and 1970 .....*631, 887
control clinics, implications of psychological research *535
habits, biological, psychological, and social characteristics of men with different *834

SOCIAL WELL-BEING
analyzed in census use study (SR) 680

SOCIAL SERVICES
delivery of human services, future outlook .. *891
human, putting them together *38

SOCIOECONOMIC STATUS
effect on kindergarten children in three areas of British Columbia *947
socioeconomic differentials in mortality by cause of death *449

SPECIAL AIDS
use by persons in U.S. civilian population to help them move about, 1969 (PR) 570

STATISTICS
and records *436

SUDDEN INFANT DEATHS
problems in the use of death certificates to identify *555

SURVEYS
attitudes of public health nurses and neighborhood health program participants about nurses' working apparel *968
cigarette smoking by women: analysis of changes, 1966 and 1970 ..... *631
epidemiology of gallbladder disease in an Appalachian community; comparisons with the Framingham and Pima Indian studies *241
mailed questionnaires, factors influencing physicians' responses *510
of attitudes of dentists toward expanding auxiliaries' duties *423
of physicians visits, 1969 (PR) 146
of satisfaction of Medi-Cal patients in Watts (Los Angeles) *351
of 27-city neighborhood for elevated blood lead levels in children *419
validity of interview information in estimating community immunization levels *750

SWINE
management, effect on prevalence of trichiniasis in U.S. population, 1966–70 ..... *606

SYPHILIS *see* Venereal Disease

TEENAGERS
juvenile delinquency, a perspective (SR) 678
personality traits predict drug use (SR) 781
pregnancy among high school students *187
pregnant, inschool program aids (SR) 884
visual acuity of youths 12–17 years, United States (PR) 976

TRAINING
Apache nursing assistants, insights gained from teaching and working with *703
Environmental Engineering Intersociety Board Certification Examination (SR) 150
feasibility of training variety of health professionals at one school (SR) 40
for health administrators *35
health assistants, Project Hope, Laredo, Tex .. *588
in health education for education majors (SR) 782
inservice, of health practitioners, an experiment with promise *328
medical nurse practitioner; role, training, and one-year's experience *827
medical students, use of epidemic simulator for (SR) 149
of technotherapists for urban dental care program *181
pediatric nurse practitioners, issues in *767

TRAUMA
seminars on, 1973–74 (SR) 379
victims spared by computer methods, Albany (N.Y.) Medical Center (SR) 31

TRICHINIASIS
prevalence and epidemiologic factors, U.S. population, 1966–70 ..... *606

TUBERCULOSIS
control, special bibliography 508
control programs, new method for evaluation *489
health care in 1973 (June–July inside cover)
in Alaska, results of 20 years of control *247
in Yungas area of Bolivia; use of Peace Corps volunteers in a control program *499
is tuberculosis still a problem? *468
national control programs in Denmark and the United States; epidemiologic basis *493
reinfection, explanation of body's resistance to (SR) 681

URBAN HEALTH
medical center, marketing procedure used to register target population *84
of Indians in Minneapolis, health behavior and health needs *360
public hospitals, critical or recovering? *295

VACCINATION
rubella, clinical reactions in children after .. *457

VENEREAL DISEASE
see also name of disease
CDC places major emphasis on, fiscal year 1974 (March inside cover)
Erie County, N.Y., week of awareness, 1972 .. *463

VETERINARIANS
evaluation of association registries as estimates of *777
responsibility for control of free-roaming pets *956

VISION
see also Diabetic Retinopathy
color perception deficiencies in U.S. children (PR) 43
delivery of care for, new method in Harlem, a pilot study *405
visual acuity of youths 12–17 years, United States (PR) 976

VITAL RECORDS
problems in use of death certificates to identify sudden unexpected infant death *555

VITAL STATISTICS
of the United States, publications updating (SR) 679
perinatal mortality, influence of changes in maternal age, birth order, and color, Baltimore, 1961–66 ..... *733
socioeconomic differentials in mortality, by cause of death *449

WASTES
emission of microbial aerosols from sewage treatment plants that use trickling filters; effects of environmental conditions *640
soil pollution and environmental health *323

WATER SUPPLY
water supply conference focused on trace metals in, American Water Works Association (SR) 885
